

Steps to Register for Fall 2009 Courses

- Step 1 Go to <http://salukinet.siu.edu>
- Step 2 Log in using your network ID and password.
- Step 3 Click on the **Register Now for Fall 2009** quick link or click on the **My Records** Tab and click on the **Fall 2009 semester and beyond** link. This will direct you to the Salukinet Self-Service Main Menu.
- Step 4 Click on **Student, Registration and Add or Drop Classes**.
- Step 5 Select **Fall 2009** as the Term and click **Submit**
- Step 6 Enter your **RUN** and click **Submit**.
- Step 7 A **Payment Agreement** will appear. You must agree before it will allow you to continue with registration.
- Step 8 This will take you to **Add or Drop Classes**. If your advisor gave you a listing of CRN (course reference numbers), enter all of them and click on **Submit Changes**.
- If your advisor did not give you CRN (course reference numbers), you must conduct a class search. To do this, click on **Class Search**.
- a. **Look up Classes** should appear if you chose Class Search. To conduct a basic search you should choose a **Subject** and click on **Class Search**. If you would like to limit your search you can enter the course number, specify the day, preferred start time, end time, etc. and click on **Class Search**.
- Step 9 Click in the **Select box** next to the course and either press enter or scroll to the bottom of the page and click on **Register**.
- Step 10 This should register you for the course. Advisors will be able to enter overrides before your register. However, if there any **Registration Add Errors** please raise your hand so an advisor can help.
- Step 11 To see a detailed schedule, click on **Return to Menu** and click on **Student Detail Schedule**. You can also view the **Week at a Glance** feature (on the main Registration Menu) by clicking on **Week at a Glance**.

Steps to Print Your Fall 2009 Schedule

- Step 1 Highlight your class schedule
- Step 2 Click on **File, Print, Selection, OK**.
- Step 3 Print Job Details window will appear. Enter your network ID. Name your print job First Name Last Name. Click on **Print**.
- Step 4 Go to print station. SOAR staff will have you enter your network ID and will print for you.

Once you have your schedule in hand, return to the International Lounge of the Student Center to reserve your textbooks with University Bookstore.
