Dear Financial Aid Applicant:

Information from your 2008-09 financial aid application indicates you may be eligible for an award from the State of Illinois (IL) Monetary Award Program (MAP) Grant.

Illinois residency requirements for the State of IL MAP Grant are summarized as follows:

"Resident of Illinois" - A dependent student is a resident of Illinois if the parent of the dependent-applicant, who is required by the instructions to complete the Free Application for Federal Student Aid (FAFSA) **physically resides within the state of Illinois and Illinois is his or her true, fixed and permanent home.** When the parent of the applicant does not qualify as a resident of Illinois and the parent is a member of the U.S. Armed Forces or a foreign missionary, then residency shall be determined in accordance with the current rules of the Illinois Student Assistance Commission (contact the SIUC Financial Aid Office for specific details.)

The following documentation must be provided to this office to verify Illinois residency for the applicable time period.

One or more of the documents listed below may be used to provide proof that the parent is an Illinois resident.  
**THE DATES RECORDED ON THE DOCUMENTS MUST INDICATE THE PARENT HAS RESIDED IN ILLINOIS AT AND SINCE THE TIME OF FILING THE FINANCIAL AID APPLICATION.**

- A) A valid 2007 state or federal income tax return
- B) Illinois high school or college transcript
- C) Illinois Driver's License
- D) Utility or rent bills in the parent's name
- E) Illinois Auto Registration Card
- F) Residential lease in the parent's name

Eligibility for state awards from the State of IL MAP Grant cannot be processed until Illinois residency has been verified. If none of this acceptable documentation is available, students may appeal to the Illinois Student Assistance Commission.
